HAMILTON ZOO IS DESIGNED TO BE AS NATURAL AS WE CAN MAKE IT - MIMICKING ANIMALS' HABITATS AND ENCOURAGING WILD BEHAVIOURS... AND WHILE IT'S A PLEASURE TO OBSERVE THE ANIMALS IN THIS ENVIRONMENT, SOME OF OUR VISITORS WANT MORE!

Would you like to come face to face with a cheetah, feel the mud-covered skin of a rhino or sit quietly with a troop of lemurs as they feed? Perhaps you would prefer to meet a family of chimpanzee or get up close to a tuatara.

EYE2EYE is a programme of behind-the-scenes animal experiences which allows you to meet the animals, be part of their daily husbandry routines and support our conservation initiatives. (10% of profits go to the Hamilton Zoo Conservation Fund).

RHINO \$400 (up to 5 people)

CHIMP \$300 (up to 5 people)

CHEETAH \$300 (up to 5 people)

TUATARA \$300 (up to 5 people)

RINGTAIL LEMUR \$300 (up to 5 people)

These behind-the-scenes experiences are very popular. Bookings must be made in advance.

So book now, and get up close to your favourite animals.
